Difference	207.325	958.654	249.472.292
Difference %	15,3%	21,2%	30,7%

Version 3.0 - 30.03.2022

Please note

2021 figures are based on a different way of reporting, which means that all products sold in Denmark by DCPA members have been included – also where the approval holder is a different company. An increase in sales figures listed above is therefore not necessarily reflecting a true increase in sales.
